

SBSF AWARDS NIGHT

Where Swiss Baseball and Softball honours its best!

The SBSF Awards night is the premier event in which the Swiss baseball and softball community gathers together to honour the best Swiss baseball and softball players of the season, the coach of the year and official of the year.

Additionally, it is our long-standing tradition to induct players with outstanding careers in Switzerland into the SBSF Hall of Fame during the event. The evening is an important fundraising opportunity for all six of our national teams. Because baseball and softball are not designated as olympic sports after the Tokyo Olympics, our swiss olympic financial support is being greatly reduced, making this event an even more important opportunity to fundraise for our federation.

With your support as an individual or as a company, you will not only be helping the SBSF to honour the best players and staff of the year, but you will also be contributing to the development of our Swiss baseball and softball national teams who will be representing Switzerland in upcoming European Championships next summer.

So how can you help?

The national teams look to donors like you to make this event possible. Our goal is to fund both this event and our teams' activities throughout the year. Below is a list of our traditional sponsorship opportunities, but we are also open to any creative ideas you have about how you can support our efforts financially.

Please share your wishes and ideas with us!
